RUHA BENJAMIN

"Discriminatory Design": From Park Bench To Lab Bench, Who's Designing Our Future?

Office of Student Activities

Posting Expiration

Date: 4/10/2015

Staff: JR

Ruha Benjamin is an Assistant Professor in the Center for African American Studies at Princeton University who specializes in areas of study including science, medicine, race, gender, health, and sociology. At Spelman College, she received a Bachelor of Arts degree in Sociology and Anthropology before earning a Ph.D. in Sociology at the University of California Berkeley. She concluded her education with a postdoctoral fellowship at UCLA's Institute for Society and Genetics. Benjamin is the author of *People's Science: Bodies and Rights on the Stem Cell Frontier* (Stanford University Press 2013) as well as other articles and publications.

Co-Sponsored by: Dept. of Sociology & Anthropology, Dept. of History, Dept. of Biology, Dept. of Women & Gender Studies
